ABOUT THE COLLEGE:

JNTUA College of Engineering, Pulivendula is constituent college of Jawaharlal Nehru Technological University Anantapur. The college foundation was laid on 25th December 2005 by the hands of our beloved former Chief Minister of Andhra Pradesh, late Dr.Y.S.Rajashekhara Reddy garu, with a social objective of providing technical education accessible and affordable to the rural people.

ABOUT THE DEPARTMEMT:

The Electronics and Communication Engineering (ECE) department was established in the year 2006. The major goal of the Department of ECE is to produce highly knowledgeable, technically competent and resourceful young engineers who can perform well in a wide variety of job profiles.

ABOUT THE CARNIVAL:

E-SAMAGRA', meaning "Holistic approach to some things that are interconnected", is an Intercollegiate Technical Event organized by the Department of Electronics and Communication Engineering, JNTUACEP. The main objective of the event is to provide a platform for students to interact with their peers to develop leadership qualities and showcase their Technical and Intellectual skills.
