

## 1<sup>st</sup> Online National Proficiency Evaluation Test (NPET)

Conducted by

The National Proficiency Evaluation Board  
(Constituted by Engineering Council of India (ECI) and  
Construction Industry Development Council (CIDC))

Construction Industry Development Council (CIDC) under the patronage of Engineering Council of India (ECI) has planned to launch the National Proficiency Evaluation Test (NPET), a National level test to grade the candidate's proficiency on the basis of online test conducted under the aegis and guidance of National Proficiency Evaluation Board (NPEB).

The NPEB constituted by CIDC and ECI under the Chairmanship of Shri K M Singh, Former CMD, NHPC functions independently and comprises of Industry Captains, project specialists, domain experts and professionals who know the pulse of the Construction Industry and are jointly working towards the betterment of unemployed Engineers / professionals.

The benefits of taking the NPET test are many:

- ❖ Benchmarking with peers and Industry
- ❖ Certification by leading apex body ECI
- ❖ Shortlisting of qualified candidates
- ❖ Enhancing employability through certification of skills and knowledge
- ❖ Benefits both employee and employer
- ❖ Right person for right job

As a service to the Industry and students alike, **NPET is free and no fee has to be paid to take the exam.** With a focus on Assessment of practical knowledge the exam will profile your skill gaps and show you the path for bridging that gap.

Registration for this online test will start on 1<sup>st</sup> August and will continue till 14<sup>th</sup> August 2019 and the NPET test will be conducted from **19<sup>th</sup> August to 31st August, 2019**

The details of NPET is also available on our website <http://ecinpet.org/index.aspx>  
<http://www.cidc.in> and <https://www.ecindia.org>
