CIRCULAR

All the III B. Tech students are here by informed that, as per University directions the College Academic committee (CAC) discussed and resolved to conduct the internal and external examinations by following Covid-19 precautions.

Few of students sent mails regarding postponement/cancellation of scheduled examinations. But this request shall not be complied as per the university directions as well as academic and carrier point of view. Therefore the students who raised the points to cancel the examinations are not valid, because of the following reasons.

- All the universities, autonomous institutions and JNTUA were conducted couple of regular & supplementary examinations and also scheduled for III B. Tech II sem examinations of AY 2019-20 in the month of Nov. 2020.
- All AP IIT's announced to conduct the class work and pending examinations from 2nd Nov., 2020.
- The completion of III B. Tech II sem. for AY 2019-20 Examinations is essential, as already IV B.Tech I semester class work(online) for the AY 2020-21 started from 17th Aug. 2020 and expected to write I Mid examinations as per academic calendar.
- All the time some events and programs are going on. Even though it's important, equally conducting of exams also very important.
- For accommodation in hostels per room 4/5 students are going to allot. Not more than that and M.Tech hostel also make use. Week back boys two hostels handed over and made sanitation. If required we can use. Hence as per Covid19 protocols you will provide hostels.
- Regarding mess dues, as per regular procedure you need to pay balance amount. In humanitarian grounds, if any scholarship holder is feeling difficult to pay complete dues, they may be considered to **pay 50% of total dues** as the Govt. released the 50% of scholarship amount to their mothers account.
- The III B.Tech II Sem (R15 &R13) regular &supplementary examinations are **rescheduled from 02-11-2020 to 13-11-2020** by considering the request of few students for the postponement of examinations due to TCS NQT exam on 24th to 26th October 2020 and SSC JE exams from 27th to 30th October 2020 which are already scheduled.

Keeping in view of the above the college is decided to conduct the examinations and advice you that be ready for the examinations. Your cooperation is highly solicited in this regard for smooth conduct of examinations without any disturbances.
