

About JNTUACEP

Jawaharlal Nehru Technological University Anantapur College of Engineering Pulivendula was started functioning from the academic year 2006-2007 onward as the 4th constituent college of the erstwhile JNTU, Hyderabad. After division of JNTUH into 4 units in 2008, it functions under the JNTUA with the name of JNTUACEP. Academic year 2013-2014 onward it got autonomous status. Also Received TEQIP II grants.

Ever since its launch on December , 2005 the college has been striving hard to emerge as a premier institution of excellence in the field of Science and Technology. The campus is spread over a sprawling 170 acres of land in a calm, serene and pollution free environment.

JNTUA is the first University to implement UHV as a credit course and minor degree.

Chief Patron

Prof. G. RANGA JANARDHANA

Hon'ble Vice-Chancellor,
JNTUA, Ananthapuramu

Patrons

Prof. M. VIJAYA KUMAR

Rector, JNTUA, Ananthapuramu

Prof. C. SASHIDHAR

Registrar, JNTUA, Ananthapuramu

Chair Persons

Prof. R. Ramana Reddy,

Principal, JNTUACEP, Pulivendula

Prof. M. Suryanarayana Reddy,

Vice Principal, JNTUACEP, Pulivendula

Advisory Member

Prof. G. Prasanthi

Professor of Mechanical Engineering,
JNTUA CEA, Ananthapuramu

Local Program Coordinator

Prof. K. Sesa Maheswaramma

Head Dept. of Chemistry
JNTUACEP, Pulivendula

Education – Understanding

1 RIGHT UNDERSTANDING
In the self

- Understanding Harmony**
- Harmony in Human Being
 - Harmony in Family
 - Harmony in Society
 - Harmony in Nature/Existence

Sanskar – Living

2 RELATIONSHIP
with human being

3 PHYSICAL FACILITY
with rest of nature

- Living in Harmony**
- at all levels of being:
- Individual
 - Family
 - Society
 - Nature/Existence

MUTUAL HAPPINESS MUTUAL PROSPERITY

About Programme

NEP 2020 has highlighted the need for rethinking on "education for achieving full human potential, developing an equitable and just society, and promoting national development". AICTE is making effort towards technical education which is holistic, i.e., value-based as well as multi-disciplinary and taught in multiple Indian languages.

Universal Human Values (UHV) through NCC-IP is effectively implementing as a systematic set of universal, rational and verifiable proposals about the human reality-about the inherent harmony in the human being, the family, society, the entire nature and existence. It draws out the value or role of human being in the harmony at all these levels, which is essentially the scope of ethical human conduct. It further helps to find resolution of present-day problems. The course employs an innovative and effective methodology of self-exploration, self-verification on one's own right. It is not a set of dos and don'ts. In this process, the teacher is also a co-explorer along with the students.

It is essential to understand the meaning of "fulfilling life", "full human potential", "just and equitable society" and "well-being of all". When these meanings, understanding or values guide the actions, then the cherished purpose or goals may be realized.

Resource Team

Dr. Kumar Sambhav

Director & Associate Professor,
UP Institute of Design, Noida.

Mr. Vinay Chidri

Advisor, Center of Universal Human Values, Maharashtra Institute of Technology, Maharashtra.

Observer

Dr. Ishrat.M. Mirzana

Associate Professor ,
Muffakham Jah College of Engg. & Tech., Hyderabad, Telangana

Minimum Eligibility for participation and selection

A certificate of at least 1 Introductory UHV FDP mandatory, Selection will be done based on first-cum-first serve

Link for Registration

The eligible faculty can register through the following link with correct mail ID
<https://fdp-si.aicte-india.org/verifiedProgramDetailsList.php>

College Location

<https://maps.app.goo.gl/KgDMzyARGu9RTcdY6>

Accommodation & Food

Free Accommodation and food will be provided for the participants.

Note: The FDP is complete residential program. All the sessions have to be attend and Day wise assignment as well as pre and post survey have to be submit within time.
